WINNER: Parent's Choice Honors, NAPPA, & Early Childhood News Awards

Sol yCanto's bilingual and interactive musical fiesta features toe-tapping plena, son, calypso, reggae and more! Featuring songs from their multiple award-winning children's CD of the same name, *Twice as Many Friends/El doble de amigos* concerts invite incessant singing and dancing with infectious, be-bopping songs, sparkling vocal harmonies, and high energy sound.

Created for grade school children and their parents, the music consists of original songs by musical director/composer Brian Amador and perennial favorites from Latin America and the U.S. Songs concentrate on early development experiences for families interested in their children acquiring Spanish as a second language, as well as for Latino families and bilingual families who wish to promote use of Spanish at home. Educational activity ideas for teachers and parents are available in Sol y Canto's CD booklet and a free bilingual educational guide is available at www.solycanto.com. Their national touring family show can incorporate a local children community choir in each community/city visited. Available in duo to sextet.
